

Serj Sangara Bio

A lifelong avid baseball enthusiast, Serj has devoted most of his adult life to “the love of the game”. From his start by coaching Richmond Bantam in 1989, attaining the Silver Medal in 2012 as the **Head Coach of the BCMBA Midget SELECTS team**, to implementing TDC’s **“Just Play Ball” Program in 2016**, Serj has a genuine love for everything baseball. His current interest lies with ensuring the success of ***The Ballyard at Sports Central***, the **growth of the Richmond Little League program**, and as recently as **Feb / 2019, helping to introduce “BASEBALL 5” to the Lower Mainland on behalf of Baseball B.C. and Baseball Canada**. In between, as the 3rd base coach, **he helped guide the U13 Burnaby Braves to becoming the PeeWee National Silver Medalist**. When he isn’t engulfed in the local baseball world, you can find him practicing his golf game, travelling to Phx to watch more baseball, or, of course letting loose on the dance floor.
